On the following pages, you will find worksheets for the following areas:

- **Mixed abilities**
  - Revision activities to revise the content covered in the unit. (RA)
  - Extension activities to extend on the material covered in the unit. (EA)

- **Evaluation**
  - A unit test to evaluate the content of each unit. (EV)

- **Reading & Writing**
  - Extra worksheets to practise reading and writing skills. (RW)

- **Science Projects**
  - A science project worksheet for each unit. (SP)

- **Answers**
  - The answers for all the worksheets are also included.
Colours the pets.

Draw food for the animals. Circle the viviparous animals red and the oviparous animals blue.

Match.

- dog
- pig
- cat
- horse
- kitten
- puppy
- foal
- piglet
Complete the table.
